Howdy Campers and Friends!

Hope this finds all of you having a great Fall and getting ready for a fun Halloween!! BOB, SUZIE, DAVID and LIZ GRAF took HARPER and EMERSON to a trunk or treat this past weekend. What fun!

BOB and SUZIE were in Ft. Worth two weeks ago for a football game and got to spend the day with ELZABETH MATLOCK SHORT and her husband, Kelly, and part of the day with HEATHER! Also popping up were GEFF ANDERSON and KAREN VERMAIRE FOX, and it was so fun to spend time with them as well! I grew up going to TCU games, but that was before I attended the University of Texas! So that was a hard game, but a happy ending for the Frogs! We also spent a weekend in Lake City, CO recently visiting our cousins the NICHOLS! BOB started a cross country meet for the schools, and THOMAS did a great job! He came across the finish line waving to his fans! Big brother JOHNNY is spending a semester at a big high school in Washington state!
